Holy Art Works has initiated a Marketing Associate Position, a representative of Holy Art Works for each Diocese. Our Associates are flexible persons, readily adaptable to initiate this sacred ministry, as a matter of protocol, through the Bishop's Office, the Superintendent of Schools and other Diocesan offices as they relate to our services. Following this introduction, our Associates move next to our individual Church Pastors and School Principals.

To begin this relationship and ministry with Holy Art Works, one should be acquainted with the historic conversion of over eleven million Aztec Indians and those who worship their sun god and moon god through human sacrifices as recorded below. (*).

Jesus promises to protect the Homes and Cities that reverence His Sacred Divine Mercy image. Our Lady of Guadalupe desires for her image to be spread and revered across the Americas; North, Central and South. She is not Our Lady for any one group but for all people

Please read Holy Art Works Pro-life Mission Statement and our ministry of spreading the Sacred Images of the Divine Mercy and Our Lady of Guadalupe into the Churches and the Extended Church, the Homes and Classrooms.
